

The 10 Most Interesting Slides from the Pitch Deck that Helped Us Raise \$9 Million

THE ANALOG TO DIGITAL TRANSFORMATION

THE PROBLEM

TOP 5 BIGGEST ISSUES caused by paper-based processes*

1. Time spent re-keying data, searching for paper copies and filing
2. Storage volume and costs
3. Inability to monitor workflow progress
4. Lost paperwork
5. Compliance and audit issues

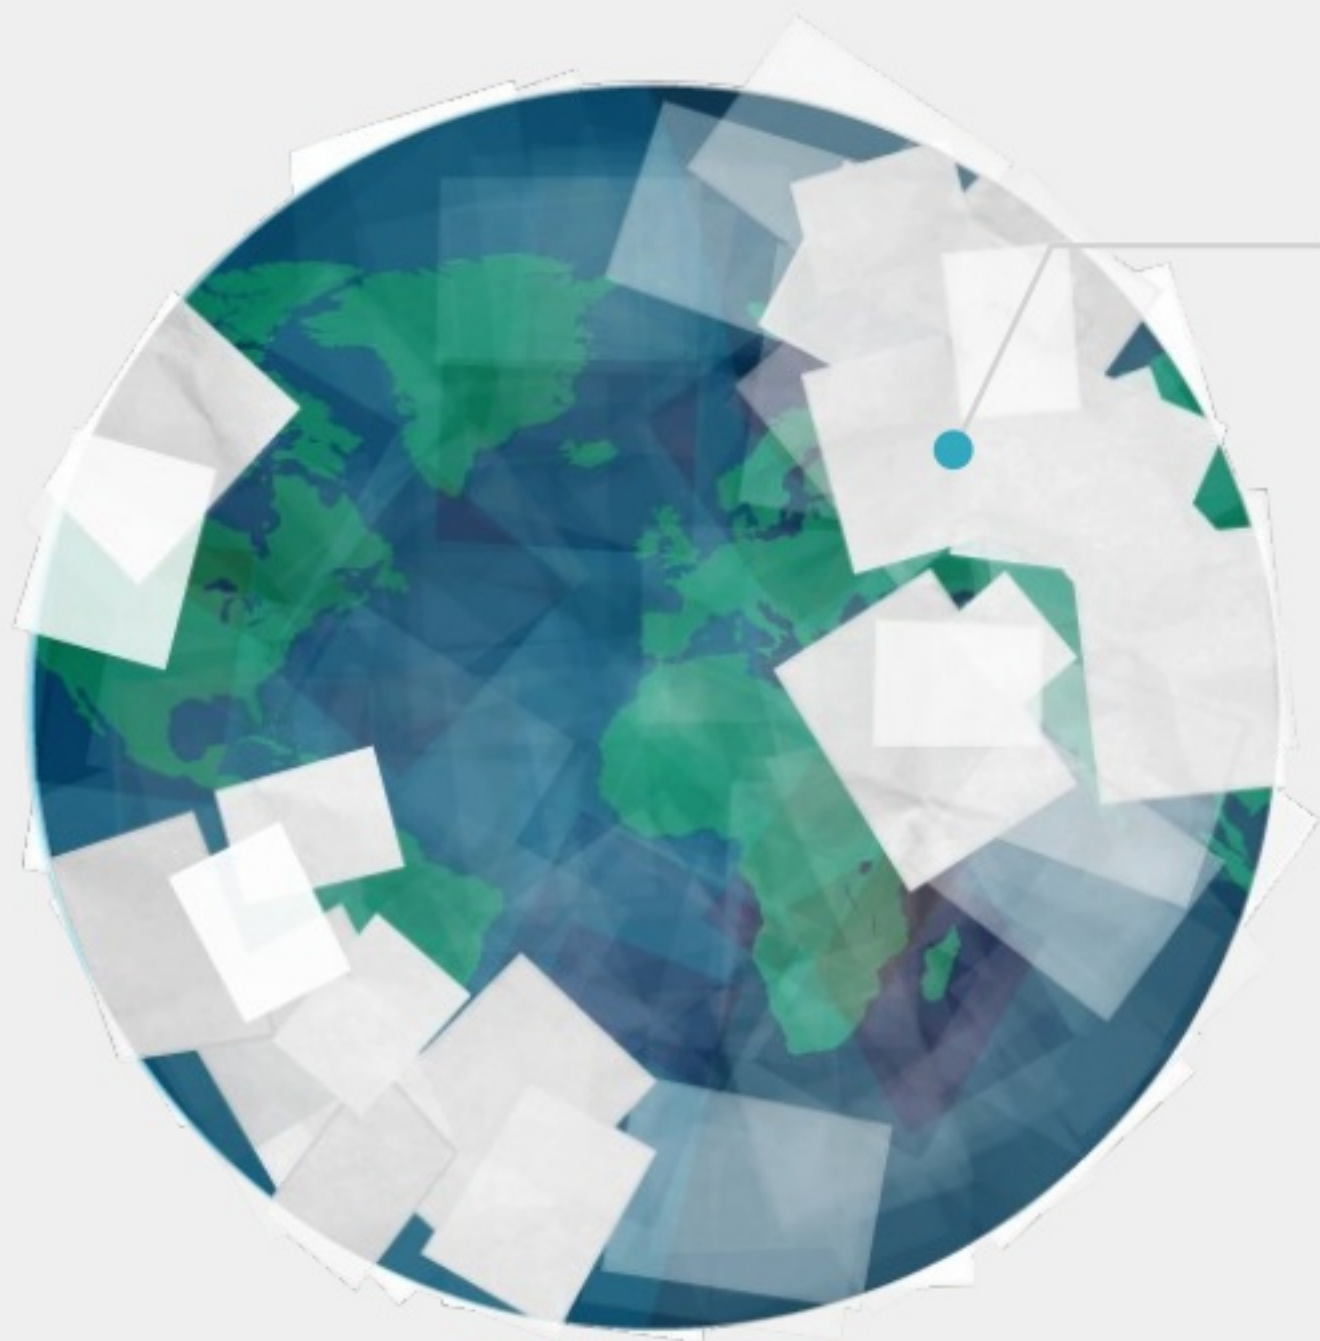

*(Association for Information and Image Management, June 2013)
